SIDNEY BARKER. – Mr. and Mrs. A. Barker of 76, St. Philip's-road, Cambridge, have received official news that their youngest son, Sidney, King's Royal Rifles (attached London Regiment), is missing. Before joining the colours he was employed as a clerk at Messrs. Brimley and Whibley's. Much sympathy is felt for Mr. and Mrs. Barker, who lost their son-in-law, Sergt.-Major Pull, last year. Their other son, after three years' service, including two years of active service in Salonica, is now out again in France.
